

Floyd M Woodrow DCM MBE LL.B

Biography:

Floyd Woodrow is Managing Director and founder of Chrysalis Worldwide a world leading values-based organisation and owner of Quantum group recently winning an innovation award for 2018 in the Fintech sector.

Floyd has an excellent track record of success as a Military Leader, Director, Non-Executive Director, Consultant and Negotiator. Floyd is challenging, supportive and totally committed to developing elite teams and individuals as well as offering practical and commercial value in strategic planning and execution.

Floyd has established an international reputation for designing and running leadership and elite performance training in sports, business, government, police, not for profit organisations and education.

Floyd's early career was as a soldier in the Parachute Regiment. He spent four years with the 1st Battalion before joining the Special Air Service at the age of 22. During this time he was awarded the Distinguished Conduct Medal for his work in Iraq and an MBE for his work in Afghanistan. During his time in the military Floyd studied law and psychology and wrote his first book "Learning to Learn".

Since leaving the military Floyd established his consultancy business alongside his commercial business ventures and became a director of a number of companies in the oil and gas industry, technology and finance.

Floyd regularly lectures on leadership all over the world, recently winning a prestigious award as a high performing speaker. Floyd wrote his second book Elite "the secret to Elite Leadership and Performance in 2012 which reached the final of the people's book prize. His third book has just been published and is called The Warrior, The Strategist and You and outlines the "Compass for Life model for leadership and life".
